

Hi,

My name is Rachel

I am inviting you and your parent (mum or dad) to talk about a new programme I am designing,

I will talk to you on the computer,

I will show you a programme that is about pain and things you can do to help you feel better when you are in pain,

I will ask you some questions about the programme,

Like “*did you like it?*” or “*what was your favourite thing?*”

At the end you will receive a certificate of participation,

**Would you like to take part?**
